**Sir/Madam,**

M.E.S Asmabi College, founded in 1968 is situated in Kodungallur Taluk, the erstwhile port city of Musiris in Kerala. We are going ahead with the mission of imparting higher education to the poor and serving to nurture the literature, culture and universal brotherhood. The College offers 11 UG courses and 4 PG programmes and the research department of Botany proceeds with M.Phil and Ph.D programmes. The efforts to realize innovative teaching methodology in higher education is a humble attempt by M.E.S Asmabi College to update the methodological skills of the college teachers and to receive the output from the students.

Even though there are remarkable changes in higher education sector, at national and international levels, we feel that our State has yet to absorb the concept of innovative teaching methods required in today's academic setting. In this background, we are glad to inform you that the Internal Quality Assurance Cell (IQAC) and P.G. Department of Economics of M.E.S. Asmabi College are jointly organizing a one day **State Level Workshop on Innovative Teaching Methodology for College Teachers** on **9<sup>th</sup> January 2014 (Thursday)**. The programme is aimed at college teachers who are willing to follow a creative and dynamic way of teaching that culminate in meaningful academic output and professional excellence. We invite your whole-hearted participation to make the workshop a grand success.

Yours faithfully,

**Dr. Ajims P Mohammed**  
(Principal)

**Dr. Kesavan.K**  
(Convener)

**Dr. Haseena V.A**  
(Jt. Convener)
