Hearty welcome to the new academic year 2018-19, the year of Golden Jubilee. For the past fifty years MES Asmabi College has been doing a yeoman

service to the society catering to the educational needs of the down-trodden and backward communities. I feel honoured to be the Principal of this esteemed institution when it completes fifty glorious years of dedicated and committed service. On this jubilant occasion my mind goes out to the former managing committee members, Principals, teachers and who have contributed to the development of the college. We were re-accredited with A grade by NAAC during the last cycle and is facing the third cycle of re-accreditation this year. It is with immense pleasure that I hand over this edition of news letter which unravels the initiatives and the progress of this institution during the last year.

Recently, Kerala witnessed unprecedented flood which resulted in the loss of life and property of thousands of people. MES Asmabi College has proved its social commitment by distribution of supplies in various relief camps in the flood affected areas. As part of clean Kuttanad campaign organised by MES our staff and students actively participated in the cleaning of various schools in Kuttanad.

As in the previous years the students of our college brought laurels to the institutions by bagging prizes in inter-zone arts and sports competitions.

Thanks to the managing committee, staff and students for the relentless efforts and support they have given me for the smooth conduct and functioning of the college. Congratulations to the editorial team who strived hard for the release of this news letter. May the lord bless us in all our enterprises and help us to take the institution to further heights.

INTELLECTUAL PROPERTY RIGHTS

Intellectual property plays an important role in providing a competitive edge to any Institution. The tangible assets like inventions, designs, software, brand name and other creative & innovative ideas are more valuable than physical assets. The IPR Cell is committed to encourage, protect, manage and commercialize Intellectual Property such as Patent, Copyright, Trademark etc... Faculty and research students of MES Asmabi College are actively engaged in creating awareness on IPR in academics and research and strictly adheres to the Plagiarism Policies of the institution. The IQAC of MES Asmabi College organised one day workshop on IPR 12th July 2018.

GRAMIKA

The aim of education is to inculcate social commitment among students. Gramika is an extension activity which provides a link between the College and the Society. Every year our college marks its presence in the society by offering the service of both faculty and students through Gramika. This year we focused on flood relief activities in selected areas which was the need of time. Through Gramika 2018 the students of MES Asmabi College proved their commitment and responsibility by extending their firm hands of help.

KOODE

Koode was an initiative by the College Union solely for the purpose of helping their peers who were affected by the Kerala flood. Students organised a musical event on 27th September 2018. Jasim Jamal II B.Sc. Physics (Winner of Super Voice) and Finobin Lireesh (First Runner up in

Mylanjji) were the lead singers. Above seven lakh collected as part of the program and the amount has been distributed among three students who were worst affected by the flood.

CLEAN KUTTANAD CAMPAIGN

Our college participated in the Clean Kuttanad Campaign, a flood relief activity initiated by the MES Central Committee. More than hundred students and teachers worked jointly with one heart.

UNITED NATIONS ACADEMIC IMPACT

MES Asmabi College became a member of United Nations Academic Impact Programme. UNAI is an initiative that aligns institutions of higher education with the United Nations in supporting and contributing to the realisation of United Nations goals and mandates.
